I encourage you to complete any unfinished, minor discovery matters such as exchanging documents, supplementing interrogatories etc. and either exchange prior to mediation or at the mediation and please bring me the latest paystub and statements of any accounts we are discussing, if applicable. If none are available at this point, please bring along with you contact numbers so that we may call as needed to the appropriate entity (eg payroll department, benefits office, banks, brokerage firms, etc.). I have no problem helping the attorneys and parties out in this regard and open disclosure encourages settlement.
